

RANZCOG 2024 Annual Scientific Meeting

Call for Abstracts

Abstracts are invited for Free Communication (Oral), Three Minute Thesis (Oral), Static Poster and e-Poster presentations for the Royal Australian and New Zealand College of Obstetricians 2024 Annual Scientific Meeting being held at **Tākina Wellington** in **Aotearoa New Zealand** from **Monday 14 October to Wednesday 16 October 2024**.

Abstracts are welcome on any of the areas of interest listed below; papers must not have been published elsewhere before being presented at the 2024 Annual Scientific Meeting.

The deadline for abstract submission is Monday, 10 June 2024 AEST.

Abstracts will be blind reviewed by the 2024 Annual Scientific Meeting review panel and will be scored using criteria such as:

- Content: how does the abstract relate to the wider context of the O&G specialty
- Abstract Design: is the design appropriate for the aims of the abstract
- Scientific Rigour: does the abstract meet and exceed the threshold of scientific rigour
- Written Quality: is the abstract well written and understood
- Originality: is the abstract original in idea
- Delegate Engagement: will it encourage discussion amongst delegates

All papers **must** be submitted by the **presenting author**. All correspondence will be sent to the submitting author by email. Only **one** author per abstract can be nominated as the 'presenting author.'

Please note: Changes of author are **not** permitted, with the exception of special circumstances, which will be considered by the Committee Chair.

Please note that all accepted authors on the program must register for the meeting and pay the appropriate registration fee by **Wednesday, 7 August 2024**. It will be assumed any author not registered by this date has withdrawn their abstract from the program.

Abstracts may be submitted in the following areas of interest:

- General Gynaecology
- General Obstetrics
- Gynaecological Oncology
- Maternal Fetal Medicine
- Obstetrical and Gynaecological Ultrasound
- Reproductive Endocrinology and Infertility
- Urogynaecology
- Women's Mental Health and Wellbeing

PREPARATION GUIDELINES

1. **Length:** The maximum of the main body of the abstract should be 250 words (i.e. excluding title, authors and institutions).
2. **Title:** The abstract title should reflect the main content and nature of the abstract; do not use abbreviations within the title. The word limit on abstract titles is 25 words. Abstract titles must be in title case.
3. **Structure:** Abstracts must be structured using the following format: any abstracts not following the correct structure may not be accepted.
 - a. **Structure of abstract for original research, systematic reviews and audits**
 - i. Introduction
 - ii. Aims
 - iii. Methods
 - iv. Results
 - v. Discussion
 - b. **Structure of abstract for case studies**
 - i. Background
 - ii. Aims
 - iii. Case
 - iv. Results
 - v. Discussion
4. **Spelling and Grammar:** All abstracts should be written in English and thoroughly checked for spelling and grammar before submission. Use standard abbreviations only; place any unusual abbreviations in brackets after the word appears for the first time within the body of the abstract, abbreviations may be used thereafter.
5. **Layout and Format:**
 - a. Each abstract must be prepared in **Microsoft Word**. **No other formats will be accepted. If you submit in another format, your abstract will be rejected.**
 - b. The title of the abstract should be written in title case.

- c. As abstracts are anonymously reviewed, please **DO NOT** include authors and affiliations in the abstract document itself. You can enter these details into the relevant fields within the online abstract submission portal.
 - d. Please refrain from using printed enhancements such as italics, under lining, bold text etc. Italics may be used for non-English words or scientific names where necessary.
 - e. Figures, tables, charts, and graphs are not permitted in the initial abstract submission.
 - f. Please ensure results are detailed within the abstract (abstracts must not state 'results will be presented at the meeting') and appropriate statistical tests have been used and reported. Abstracts presented without results will not be accepted.
 - g. Sources of funding should be indicated at the bottom of the abstract, as applicable.
 - h. Use generic names of drugs, where applicable.
 - i. References should be avoided or, if essential, should be kept to a minimum and presented in Vancouver (numbered) style. Note that all references will be included in the maximum abstract length (250 word total).
 - j. Please note abstracts may be re-formatted and edited for publication in the program handbook.
- 6. Changes to Final Abstract:** Any necessary changes to your abstract must be made by the final submission date. Edits cannot be accepted after the submission deadline.

SUBMISSION GUIDELINES

All abstracts must be submitted electronically via the online *Abstract Submission Portal* by the presenting author. The online portal can be accessed via [this link](#).

Authors wishing to submit more than one abstract may do so by clicking 'Add New Submission' in the Abstract Submission Portal. Please avoid submission of several abstracts generated from the same study.

- Only one author per abstract can be nominated the 'presenting author.' If you are the presenting author and do not register for the 2024 Annual Scientific Meeting, you will be deemed to have withdrawn from the program. Authorship is not transferrable to another person.
- All submissions must be accompanied by a maximum 80-word biographical paragraph of the presenting author. Biographical details will be used by the session Chair for introductions purposes and may also be published in 2024 Annual Scientific Meeting literature and on the Meeting App.
- Submission of abstracts implies the author's agreement to publish the abstract in the 2024 Annual Scientific Meeting Handbook/Meeting App and other RANZCOG literature as applicable.
- Abstracts accepted for Free Communication and Poster presentations may be provided upon request to media outlets promoting a specific presentation. Please note that submission of abstracts implies the author's consent.
- If a study has been presented elsewhere before the 2024 Annual Scientific Meeting, it is not eligible for submission as an abstract.
- Only one submission per abstract title is permitted. Select your preferred presentation type in the Abstract Submission Portal. If you are unsuccessful in your preference you may be offered the next available presentation type. For example; you select Free Communication but are unsuccessful, you may be offered Three Minute Thesis instead.

GENERAL GUIDELINES

Please note that all accepted authors on the program must register for the 2024 Annual Scientific Meeting and pay the appropriate registration fee by **Wednesday, 7 August 2024**.

Please ensure the following required information is available before beginning the online abstract submission process:

- Your contact details.
- The title of your abstract.
- Name and organisation of your co-author/s, if applicable.
- Your (the presenting author's) brief biography (maximum 80 words). Biographies are to be written in full sentences (not dot points) and in **third** person.
- Your abstract prepared in the format specified under *Abstract Preparation Guidelines*. Failure to meet the specified deadlines or guidelines may result in exclusion from the program.

Submission of your abstract/s implies you have read, understood, and comply with the *Call for Abstracts Terms and Conditions*. These are available to view within the Abstract Submission Portal (online submission facility) at the time of submitting your abstract.

DOUBLE CHECK YOUR SUBMISSION

Once your submission is uploaded correctly, you will receive a confirmation email. If you do not receive this email, your abstract has not been uploaded correctly. The abstract will be found under the 'Abstract Details' section.

If you have any concerns, please contact the meeting Secretariat by email ranzco@kandmevents.com.au

ACCEPTANCE NOTIFICATION

Acceptance or otherwise is at the discretion of the 2024 Annual Scientific Meeting Organising Committee. Notification will be sent to the accepted authors by **Wednesday, 24 July 2024** including full instructions and next steps.
